

Holmdel Science Fiction Club

Club notice - 9/21/78

1. Upcoming meetings:

Wed., October 4, noon, 3H506: Man In the High Castle by Philip K. Dick

Wed., October 18, noon, 3H506: Case of Conscience by James Blish

2. At the October 4 meeting we will also vote on the proposed by-laws and an amendment that would have us meet tri-weekly rather than bi-weekly. I would appreciate any comments you wish to make along these lines (the by-laws or the frequency of meeting).

3. We are now a genuine Bell Labs Club ^{activity} and subject to the ambiguous by-laws of the B.L.C. I have two pages of questions, typed, into our B.L.C. liaison, Joni Pease, trying to get clarifications on how the rules apply to us (for example we may not be allowed to spend our budget on books, and sending out this notice without approval may also be a no-no). Joni may be at the meeting when we vote on the by-laws.

Th-th-th-that's all, folks.

Hi, cutie!
