

Holmdel Science Fiction Club
Club Notice - 11/16/78

MEETINGS UPCOMING:

(All meetings are in room 3H-506 on Wednesdays at noon.)

DATE ----	TOPIC -----
11/29/78	TO YOUR SCATTERED BODIES GO by Philip Jose Farmer election of officers for 1979
12/20/78	DUNE by Frank Herbert
1/10/79	TBA
1/31/79	TBA

Just a quick note: we currently have two copies each of the two books listed above. Discussion books may be borrowed from the library for one week at a time and renewed on a weekly basis as long as nobody else is waiting for them. As yet there have been no policy decisions as to what to do about overdue books. I suppose we will have to cross that bridge by the time we come to it if not earlier. We already have both copies of the Farmer novel loaned out but as yet nobody has borrowed DUNE. Be reminded that DUNE is a fairly long novel and it might be a good idea if people who can, get reading it out of the way as early as possible. If you want to borrow a book the best and fastest way is to see Evelyn in 1B-527, though you can also try calling me.
