1. Against all the pollsters' predictions, in a tremendous political upset, the following slate was voted in in the election of officers at the last meeting:

Chairperson	Mark Leeper
Vice-chairperson/librarian	Rich Ditch
Secretary-treasurer	Evelyn Leeper

Just what the far-reaching consequences of this upset will be remains to be seen.

2. On Tuesday, December 4, I will be showing an episode of NOVA (the PBS science program produced by the BBC) in room HO 3A-505 at noon. This program is an examination of the arguments made by Erich Von Daniken (I hope I spelled that right!) in CHARIOTS OF THE GODS. Included are interviews with Erich Von Daniken and Carl Sagan. I will ruin some of the suspense for you: Curiously enough, the writers of the program find reason to not wholeheartedly endorse a few of Von Daniken's views.
