1. The following are the upcoming meetings scheduled. For the time
being we will not put dates on these meetings until we know if the
books really are available. If a book turns out to be unavailable
all the meetings after that will be one meeting earlier. Barring
such problems, these are the meetings coming up.

- Long Arm of Gil Hamilton by Larry Niven
- Dying of the Light by George R. R. Martin
- Cage a Man by F. M. Busby
- Cyberiad by Stanislaw
- Journey by Marta Randall
- Who Goes There? and THING FROM ANOTHER WORLD by Don A. Stuart
(John W. Campbell)
- Earth Book of Stormgate by Poul Anderson
- Quatermass and the Pit and FIVE MILLION YEARS TO EARTH by
Nigel Kneale
- Fifth Head of Cerberus by Gene Wolfe
- The Man Who Sold the Moon by Robert Heinlein
- Something Wicked This Way Comes by Ray Bradbury

For Who Goes There?, we will be trying something new. Since Who
Goes There is closely associated with the film not based on the
story, THE THING FROM ANOTHER WORLD, I will be showing a videotape
of the film the two lunch hours directly before the book
discussion. Since the story itself is fairly short, it was
suggested that adding the film may give food for thought. On
second thought, we can do the same thing with Quatermass and the
Pit. It is not a novel but a play for a tv serial that is
considered something of a classic in Britain. The play was long
unavailable but is now back in print in paperback. Since I have
the film based on the play on videotape, we can show that also.
Gee! We are breaking out into multi-media.

If you wish to order personal copies of these or any other SF
books, please place your order with the Club Book-Buyer by close-
of-business, Thursday, Oct. 15 (including payment). Your rebate
(depending on discount) will be returned with your books. (Since
the Club Book-Buyer is out this week, early birds should contact
the Club Chairperson.)
