Gopin (HO 1D-407 x2089) is the game chairperson. This notice publishes anything (not slanderous or libelous) submitted by club members. Members, feel free to submit.

1. Now that we all have had our vacations I know we are all back and ready to start goofing off reading science fiction. If, perchance, you are reading MACROLIFE by George Zebrowski you can discuss it with like-minded buffoons at the January 13 meeting. If, on the other hand, you have recently read ON WINGS OF SONG by Thomas Disch, it will be the topic of discussion at South Plainfield that same day. If you would like to discuss TOWER OF GLASS by Robert Silverberg, you are sort of up the old creek without a paddle. Finally, if you would like to discuss THE GODS THEMSELVES by Arthur C. Clarke you are a bit confused.

2. For the upcoming year hopefully room assignments for the club will not be so confused. Traveller meetings will be in HO 4A-506 and all other club functions will be in 4A-606.

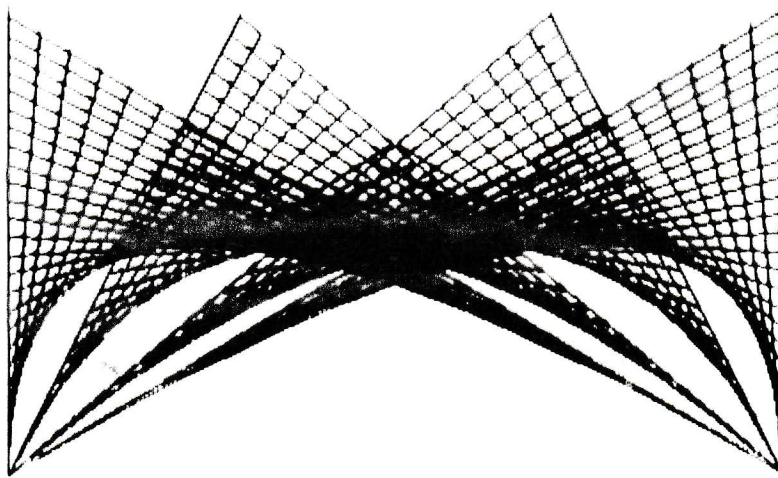

3. A mercenary adventure is beginning in Traveller. Anyone wishing to participate should roll a character on 1/14/82 in 4A-506. New members and/or players are quite welcome.

4.
